

Life Compass Society **Upcoming Event**

We are pleased to welcome Angelina Ireland, President of Delta Hospice Society

Angelina came to the Delta Hospice Society in 2014 as client navigating her own personal cancer journey. Once she eventually recovered to good health, she joined the Board of Directors in 2018. She considers it a great honour to support the mandate of authentic palliative care and act as an advocate, spokesperson, and defender of traditional end-of-life values.
